

Recreational Pricing Policy – April 2022

Our club policy requires all recreational gymnasts to be enrolled with British Gymnastics at Bronze level membership as a minimum to ensure that members are fully insured. Club membership is a small additional charge (£3/month) to cover areas including payment towards our online administration systems, the club app development and coach education activities across the club.

Annual Insurance & Membership Fee due each year on 1st September. This is set at £55.00 for all gymnasts except mini gymnasts which is £15.00.

All Newcomers - 1st session – **FREE** taster, 2nd session – annual BG/club membership is required plus the balance of remaining first month sessions payable which are remaining and are a fixed price of £8 per session for all classes or £5 per session for mini gym classes.

All recreational fees are subject to sibling discounts at £5/sibling/class. Family discounts are only applied to immediate family members.

Recreational Gymnastics Fees

Monthly fees for mini gym classes are £25/month. Under 5's classes are £44/month. Monthly recreational class fees for all other classes and for **all centres** are £49.00/class.

Trampolining & Adult Gymnastics Fees

Monthly class fees for **all centres** are £38.00/class.

How to Pay

All members (without exception) pay via Direct Debit.

Link to set up - <https://pay.gocardless.com/AL00019DR8K5YE>

All payments **MUST** be paid on the 1st of the month.

Non-Payment of Fee's

Late session fees (14 days) will incur an **automatic** £10 payment/fine per member and families will be required to pay via direct debit. If payment is not received 14 days after the initial 14 day non-payment period then the members place will be suspended until full payment is received.

We **do not** provide payment credits for holidays, summer camps or other special closures including Government or other imposed lockdowns or isolation events for whatever period in line with the fact that we do not increase tuition fees when members receive five sessions in a month.

We **do not** issue credits for missed sessions, but we allow make-up sessions if booked via the online system only, under certain circumstances for illness & exceptional issues that you miss (up to four make-ups per quarter). Please think of your subscription fee as **leasing a place** in one of our classes. As long as you are up to date on your subscriptions, you will not lose your place if you miss a class. Issuance of a credit may be applied if a gymnast sustains an injury and produces a medical note.

Any member wishing to leave the club will be required to provide written notification to the club (email: info@cheshiregymnastics.com) with a **full months notice** to which payment for the notice month will be required.

Additional Discounts Available

An annual payment discount arrangement is available for those families who wish to pay via this method. **One month's free tuition** is provided for an annual payment.

Scholarship Scheme

Our scholarship scheme is designed for those club members attending school/full time education whose households currently receive certain income benefit/s from the Government. This will equate to a nominal payment of just £5/month for **one** class/week. To apply for the scheme please contact Mark Hudson via mark@cheshiregymnastics.com

Badges & Certificates

Badges and certificates are a combined cost of £4.00, unless level 1 or level 3 Pre School, where a medal is also presented costs are £8.00. If a certificate is awarded without a badge, due to the halting of supply via British Gymnastics, then the cost will be £2.00. This needs to be paid prior to the issuance of the award. The awards scheme will be updated during this forthcoming club year to move onto the Rise Programme.
